PRODUCT FEATURES

Integra’s contract products include these features:

- High Resilience Foam in All Seat Units
- Patented 16 Gauge Galvanized Tubular Steel Inner Structure
- **All Integra Bariatric products and some standard products pass a 1,200 lb drop test (2,000 lb static load)**
- All seating lines have field replaceable components, meaning individual backs, seats, arms, bases, etc. can be replaced on site.

TB 117 & 133 COMPLIANCE

All Integra seating products with standard fabrics pass CA TB 117 fire code requirements, and are able to pass Technical Bulletin 133 using approved fabrics and fire barrier. Please consult Integra for more details.

GRADED IN OR COM – CUSTOMER’S OWN MATERIAL

Integra has a large number of fabrics from various mills already graded in to our product; please see our website. Integra will also work with COM - Customer’s Own Material. All COM fabric needs to be sent to the factory for approval before an order is accepted. Following that approval, you will be advised of any additional yardage which may be required for your order and upcharges for special handling and/or hand cutting. Use Grade COM pricing, which includes the product and only the labor for the fabric’s application. The cost of the fabric is the customer’s responsibility. Orders must state supplier’s name, pattern name and color. Shipments to Integra from COM suppliers must be tagged with purchase order numbers and ship freight prepaid. Order will not be put into a production schedule until receipt of goods (COM).

FREIGHT

Integra’s 2018 list prices include freight charges on all orders above \$7,500 List shipped within the contiguous United States. There is a minimum order charge of \$250.00 net for orders under \$7,500 List. Integra’s standard freight method is to set-up and blanket-wrap furniture for shipping. This requires coordination with the freight company in order to meet and unload the truck at the destination, however, furniture is assembled and will just need to be inspected and set in place. In certain cases, and as an option, we can carton our furniture for shipping. Cartoning charges will apply.

Please see our 2018 Price List pages 3 and 4 for complete general ordering information.

Information valid as of January 5, 2019.
