Integra Seating Taps David Hutton as Vice President of Sales

Walworth, Wis., October 2024— [Integra Seating](#), a leader in high-performance lounge seating solutions for commercial applications, is pleased to announce David Hutton has joined the company as Vice President of Sales. With more than 30 years of sales leadership experience across various industries, Hutton brings a wealth of knowledge to drive sustainable and profitable growth.

Hutton's extensive career spans domestic and international markets in the consumer electronics, decorative and rough plumbing, and contract furniture industries.

In his new role at Integra, Hutton is committed to taking this established brand, with its unique selling position, and growing it to the next level.

"I am passionate about sharing the Integra story," Hutton said. "Together with our independent sales force, we will drive sales growth and continue to establish Integra Seating as the recognized market leader in high-performance, sustainable lounge seating for high-use spaces."

"We are excited to be working with David and are very optimistic about this new chapter in Integra's story," noted Chandra Putnam, Integra president.

About Integra

Located in Southern Wisconsin, Integra Inc. is a family-owned and women-owned and operated company that has been designing and manufacturing seating and tables for lounge and reception areas since 1982. The company started with Monroe Putnam's patented "tube and plug" inner construction design. Now led by Chandra Putnam, Integra has grown into an industry leader that accommodates each customer's and end user's unique requirements, continually adding new products to the portfolio that exceed customer expectations. Integra sets the standard for products with functional style, durability, flexibility, and first-class customer service. With a focus on durability and minimizing environmental impact, all Integra seating lines have replaceable components to provide a more sustainable and cost-effective solution for any facility.
