

University of Washington | Denny Hall

Seattle, Washington

Blending history with modern comfort, Denny Hall features Integra's Coffee House Series standard back straight seating, crafted for high-traffic campus spaces that demand both durability and timeless style. Research shows that students' focus and retention improve by up to 25% when they're comfortable in their learning environment, making thoughtful seating a critical part of higher education design.

Integra products specified:

- 22.5" sw Coffee House | Standard Back straight with casters, tablet arms, and recessed pull handles
- Custom Tablet Arm with laminate top and exposed plywood edge
