

Integra Seating's Odyssey Collection Wins Gold in 2025 Nightingale Awards

Integra Seating's Odyssey Collection won the Gold Nightingale Award in the Seating: Guest/Lounge category for its design and durability. Engineered for high-performance commercial settings, it features a 1,200-pound static load capacity, a continuous wrap-around design, and easily replaceable upholstery covers. The award recognizes its aesthetics, functionality, and sustainability, with a focus on providing resilient and supportive furniture for healthcare environments. Integra, a family-owned company since 1982, emphasizes durability and environmental responsibility in its product offerings.
