Integra Seating Adds N2 Lines as Sales Rep Group in Southeast

Michael Nay and Stephen di Giacomo of N2 Lines

Integra Seating, an award-winning manufacturer of high-performance furniture for commercial applications, welcomes **N2 Lines** as its new representative group for Alabama, Georgia, and Tennessee.

Atlanta-based **Michael Nay** and **Stephen di Giacomo** of N2 Lines will represent Integra Seating across the three-state territory, giving designers, end users, and dealers in the Southeast local support for Integra's full line of high-performance lounge seating, guest seating, and tables.

"Integra isn't trying to be everything to everyone. They've built their reputation around designing and manufacturing high-performance lounge and guest seating exceptionally well, and that focus is one of the things that attracted us to the brand," Nay said.

di Giacomo added, "We see significant opportunity for Integra across the Southeast. Their portfolio gives us a strong platform to pursue projects across healthcare, higher education, workplace, and other high-use environments where performance really matters."

Chandra Putnam, President of Integra Seating, noted, "Michael and Stephen bring strong relationships and firsthand market knowledge of the Southeast. Adding N2 Lines to our team strengthens our presence there as we continue to expand across all commercial markets. We're excited to have them representing Integra and supporting our products and capabilities to more customers throughout the Southeast."

Integra's high-performance furniture, featuring exceptional strength, durability, and cleanability, is proudly made in the USA. For more information about Integra, please visit www.integraseating.com.

About Integra

Located in Southern Wisconsin, Integra Inc. is a family-owned and women-owned and operated company that has been designing and manufacturing seating and tables for lounge and reception areas since 1982. The company started with Monroe Putnam's patented "tube and plug" inner construction design. Now led by Chandra Putnam, Integra has grown into an industry leader that accommodates each customer's and end user's unique requirements, continually adding new products to the portfolio that exceed customer expectations. Integra sets the standard for products with functional style, durability, flexibility, and first-class customer service. With a focus on durability and minimizing environmental impact, all Integra seating lines have replaceable components to provide a more sustainable and cost-effective solution for any facility. More information is available at www.integraseating.com.

About N2 Lines

N2 Lines is an independent manufacturers' representative group serving the commercial interiors industry across Georgia, Tennessee, and Alabama. For more than 15 years, partners Michael Nay and Stephen di Giacomo have connected architects, interior designers, dealers, and end users with furniture, textiles, and carpet solutions from a carefully selected portfolio of manufacturers. Their complementary backgrounds — Stephen in commercial design, Michael in architectural products — combine creative insight with technical expertise across corporate, healthcare, education, and hospitality projects. N2 Lines is committed to product expertise, responsive project support, and helping clients create thoughtful, functional environments from specification through completion.
