At Integra "Beautifully Strong | by Design" means so much.

With over thirty-five years of experience responding to the rapidly-evolving needs of organizations and facilities across a variety of industries, Integra's strength is firmly rooted in its ability to consistently deliver adaptive solutions.

With innovative design features that are synonymous with Integra, we create public-friendly environments that are both beautiful and functional while continually delivering the quality you care about and the service that you've come to expect.

Put our dedication and strength to work for you on your next project. Give Integra a call at 800.235.0234, or visit us online at [integraseating.com](http://integraseating.com)
