Seaside Lounge Seating

upholstered arm design creates clean-out

Seaside Lounge Seating

Seaside Lounge is a versatile addition to Integra’s Coastal Collection; making a beautiful statement while welcoming neurodiversity with a motion option and various ways to sit in today’s healthcare, educational, and workplace environments. The chair’s innovative design unites the seat and back into one cohesive piece with a wipe-out feature and waterfall front, enhancing cleanability and comfort.

Base Options | bar legs, swivel & static base, sled base, casters, and plinth base

Arm Options | upholstered arms, metal arms with solid surface arm caps

Tablet Option | 300 lb capacity in solid surface and other material options

Cleanability | cove wipe-out design, upholstered arm creates clean-out

High Performance | Seaside Lounge has a 1200 lb static capacity

Component-based Construction | increases sustainability & cost effectiveness

Sustainability | BIFMA’s LEVEL® Certification with Credit 7.4.4, Certified Clean Air Gold

Lifetime Warranty | includes 24/7 environments (excludes textiles)
