

Seaside Lounge Seating

beautifully strong | by design **Integra**[®]

Seaside Lounge Seating

Seaside Lounge is a versatile addition to Integra's Coastal Collection; making a beautiful statement while welcoming neurodiversity with a motion option and various ways to sit in today's healthcare, educational, and workplace environments. The chair's innovative design unites the seat and back into one cohesive piece with a wipe-out feature and waterfall front, enhancing cleanability and comfort.

Base Options | bar legs, swivel & static base, sled base, casters, and plinth base

Arm Options | upholstered arms, metal arms with solid surface arm caps

Tablet Option | 300 lb capacity in solid surface and other material options

Cleanability | cove wipe-out design
